

Sponsorship for the Ohio Valley All-Stars

The 2010 competitive season was a huge success with approximately 200 Cheerleaders representing the Mid-Ohio Valley. Our National record was extraordinary and we look to improve it in the upcoming season!

Most of our community is aware of the accomplishments these athletes have achieved. But what many are not aware of is the fact this group of exceptional athletes are totally self-funded. That means that all expenses for travel, uniforms, competition entry fees, etc. are paid directly by their families. For that reason we are looking for caring business's in the Mid-Ohio Valley to help with donations to benefit our athletes. Understand that no donation is too small!

If you can find it in your heart to help these great kids please forward your check to the address below. If you prefer, pick up is available by simply contacting the organization at 304-428-0488.

Complete the top half and keep as your record. Thank you for your support!
