

THE DREAM MAKERS CHEER TEAM

Do you want to have fun, meet new friends and get in shape at the same time? Join the "DREAM MAKERS TEAM" at Bay State Cheer & Dance Training Center and do it all!

The Dream Makers All Star Cheerleading Team was established in February 2006 by Carol Wade-Lam in Oxford, MA and is now located at 224 Cherry Street in Shrewsbury, MA at the Bay State Cheer and Dance Training Center.

The Dream Maker team is designed to facilitate the development, maintenance and expression of an appropriate leisure lifestyle. This is a unified approach; integrating athletes with & without physical, mental, emotional or social limitations. Through music, gross motor activities and peer group mentoring, individuals are introduced to the fundamental skills of cheerleading. This is an ideal opportunity to create friendships and team spirit amongst all members. Currently, this is the only program in Central Massachusetts that offers a strict unified approach.

The Dream Makers Team will host an OPEN HOUSE on Monday, September 12th from 5:00 – 6:00 to welcome back old members and meet and greet new ones! Information will be distributed and questions answered. Don't miss it!

The Dream Makers will begin practice on Monday, September 26th and weekly practices will be from 5:00 – 6:00pm.

An annual physical is required prior to participation. All team members are expected to compete at local competitions throughout the season (Dec – April).

Annual tuition is \$175 plus registration fee (\$35) and uniform costs (TBD). Fundraising is available through 2 in-house nonprofit organizations to offset the program's costs
