Birthday Parties At Cheer Central

What is Cheer Central?

Cheer Central is the number one All Star Cheerleading gym in Colorado!

How do your birthday parties run?

A birthday party at Cheer Central is designed for your child and their friends to run, jump, play, explore and to have a blast in our 17,000+ square foot facility. We will have open play time and a few structured games, you will also have a coach designated to your party for the full time. We can customize your party to what ever your birthday boy or girl wants!

This can include special party music*, extended time on trampolines, games and more!

Can we bring food and cake to the party, or do you provide it?

Although Cheer Central doesn't provide any food we have a great recreational room that can be decorated and used for food, beverages, cake, presents and what ever you would like to bring to share with your guests! You will be given 1 hour upstairs as well as time to set up prior to the event!

Are parents allowed to come in the gym and watch the party?

Yes, we allow parents to watch the party either from upstairs in our rec room or in the gym. All that we require is that they sign a Parental Waiver and come in the gym as a spectator only.
