

CHEER & DANCE EXPRESS SUNSHINE CHEER TEAM

AGES 4-20 * GIRLS & BOYS * Cheer Team for Children with Special Needs

**The Sunshine Cheer Team
performs at events &
competitions in the Lincoln
and Omaha Area!**

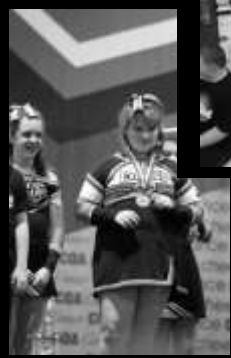

Cheer & Dance Express started the Sunshine cheer team in the summer of 2010 and it has become a huge success! Each of the Sunshine cheer team members have a "buddy" cheerleader from one of our competition teams to help as their friend and mentor. The team members have performed at many events and always receive a standing ovation from the crowd! "It's neat to see all of the different cheer teams from Nebraska and the surrounding states join together and cheer for the Sunshine team at the competitions!" said Kevin Yontz, a parent of one of the Sunshine team members, Natalie. The team members have won many medals and trophies during the 2010-2011 season! We are just getting started with our teams for the 2011-2012 season and always have room for more!
