We are very excited to begin classes for the 2008-2009 dance and cheer year! This will be our 14th year since the opening of Cheer & Dance Express. We are looking forward to working with your children again and cannot wait to meet the new students who will be joining our program. We are also very excited to begin our second year in our brand new state of the art facility. In the summer of 2007, Cheer & Dance Express expanded into a 10,000 sq. ft. fully air conditioned building, comprised of a cheer gym with an in-ground tumble track and Olympic level trampoline, a regulation spring cheer floor, two large dance studios, a parent viewing area and a student lounge, making Cheer & Dance Express the only facility of it's kind in the state of Nebraska!!!

Fall classes will be starting Wednesday, September 3rd (Wed. after Labor Day).

Enclosed in this packet is a schedule of classes for Cheer & Dance Express, policies and closing dates, instructor biographies, annual recital information, and tuition rates. The classes that have been highlighted are options of classes that we recommend for your student. The classes that are marked * are competition classes and require trying out for the competition team in order to register for.
