

Registration

Tryouts for our new cheer season are April 6th & 7th or 20th & 21st. Ages 4 – 11 will attend the first session from 5-7pm and ages 12-18 will attend the second session from 7-9pm. If you cannot attend either tryout date we will continue to take new sign ups throughout the summer. Tryouts for our competitive hip hop team will be May 11th & 12th from 5-7pm. We are excited that you are considering becoming a part of the VEA family. Our program will be a great experience for your child and will help them build athletic ability and confidence. Call 209.825.0700 for more information on sign ups.

If you would like to try out a free trial class, please call 209.825.0700 to set up a date and time.

Tumbling classes are open for new sign ups year round.

Welcome to Victorious Elite Allstars

SENIOR HIP HOP TEAM

Our Mission. . .

Our mission is to serve youth and families by providing a safe and positive environment for individuals to maximize their potential both personally and as team members. Our goal is to mentor our athletes by teaching them the importance and value of respect, character, commitment, dedication, integrity, positive attitude, hard work and leadership. Along with promoting valuable life skills, we strongly emphasize good health and physical fitness.

Our History. . .

Victorious Elite Allstars was founded in 2004 by Vicki Crawford, Erica Acaya and Amy Acaya with the goal of enriching the lives of children and their families through the sport of competitive cheerleading. In VEA's first season, practice was held in Manteca High School's wrestling room. Despite our humble beginnings, VEA took home ten 1st places, eight 2nd places and three 3rd places, including four National titles!! Under the current leadership of Executive Director Amy Acaya, VEA has continued to grow. Our new facility boasts 7000 sq. ft. with three competition spring floors, a tumble track, a variety of training equipment, homework area, snack bar and parent viewing area.

Our Operating Principles. . .

We will make the safety of the young people entrusted to us our number one priority.

We will make principle-based decisions consistent with our mission statement and core values.

We will utilize sound business practices in order to generate adequate results, which will allow the business to sustain itself.

We will measure our success primarily by contributing to the positive development of young people and secondarily by competitive success.

We will focus on serving athletes of all ages and abilities and their families.

We strongly believe that family, religion and school are top priority for every athlete.

TINY TEAM AGES 2-5

"It's not the glitz of the uniform that matters, but the spirit that shines within!"

SENIOR TEAM AGES 11-18

Why Competitive Cheer?

Competitive Cheerleading is a multi-faceted sport. Unlike the typical cheerleading you might see at a football game, it involves extreme flexibility, dynamic tumbling, daring stunts, explosive jumps and show stopping choreography. Plus Competitive Cheerleading is for boys and girls of all ages and ability levels. At VEA, we have a full staff of highly trained instructors with years of experience in all of these fields. Your child will be trained by the best to become the best they can be. They will have weekly tumbling and cheer classes that will take them from basic to advanced skills. After just a few short months you will see a huge improvement in their coordination, strength and confidence. By the time competition season hits you be amazed at the outcome of hard work and intense training and winning that trophy will be an experience your child will never forget!
