

CGGC Class Policy

All make up classes are based on class availability and MUST be scheduled prior to absence. You may not drop in to make up a class. If you do drop in to a class for any reason other than an approved make up class a \$15 charge will be added to your bill.

Only absences due to illness or family vacations with prior notification will be allowed make-ups.

All make-ups must be approved and be made up in a class that is of appropriate age and skill level for your child.

Monthly tuition is a pro-rated price (4-week month), this takes in to account holidays and months with five classes. Your tuition holds your place in your particular class so it is important to try to be present for those classes as there may be no available spaces for make up classes.

If you are not in attendance for your class, or have not paid by the tenth day of each month we will assume you are no longer attending and that spot will be filled.

No one is to be out on the gymnastics floor unless they are accompanied by a coach or it is during their allotted class time.
