

COMMITMENT STATEMENT

We understand that the evaluation process is a formal method for the coaching staff to make team selections. We understand that each candidate is being evaluated on their current skill level, their past experience (either with or without Galaxy), and their potential to grow/progress as an athlete within our program. We will respect the coaches' decisions and work hard to make our team(s) successful this season.

We understand the commitment that we are making as a family to the Galaxy program, including the coaches and the other team members. We intend to participate for the entire year from May 2010 until March 2011. If for some reason circumstances occur which require our departure from the program, we understand that we need to put in writing at least thirty (30) days prior to leaving the program. We also understand we will not receive a refund for any competitions that Flying High has already paid for, any fundraising that has already taken place or any coaches fees as the budget is set.

We also understand that consistent negative conversation will not be tolerated, and if it becomes a detriment to team unity and chemistry whoever participates will either be dismissed from the program or prohibited from attending practices. We understand the Galaxy is a program built on integrity and commitment, and we will do our best to make this season successful and enjoyable for all involved.
