## **ALL STAR CHEER AND DANCE GALAXY COMPETITIVE PROGRAM!**

Flying High Cheer & Dance Galaxy's mission statement:

WE BELIEVE THAT YOUTH ATHLETICS IS THE FOUNDATION FOR fitness, wellness, confidence, fun, strength, power, teamwork, friends, self-discipline, time management, goal setting, respect, coordination, flexibility... and LIFE. All-star Competitive cheer and dance is becoming a very popular and exciting sport! CHEER & DANCE can teach an individual the importance of working together as a team. We all share a common goal and dream to be the best. Team Work and dedication are the key to success!

### **COMPETITIVE CHEER & DANCE PROGRAM**

Our Competitive Cheer and Dance Program is one of the fastest growing in the area! Our competitive teams are broken down by skill and age and are coached by some of the best cheer and dance coaches around. Our Competitive Season takes place from mid May to March. Squads will practice twice a week and are required to attend a Galaxy Tumble/Technique class broken down by skill. Squads will compete in approximately 7-10 competitions, one being an over-nighter. The Tiny/Mini squads will compete at least 5-6 times during our season and one (or two) competitions during the season may be an over-night stay. All Galaxy squads will compete in one or more Nationals competitions that may either be local or an over-night stay.

### **PLACEMENT OF ATHLETES**

During tryouts, each athlete will be assessed on his/her abilities in the following areas: jumps, tumbling, motion technique, dance, stunting and cheer; the fundamentals of this sport! Judges of each of the above mentioned components will submit their information. Once collected and sorted, the Galaxy staff will work together to create teams that have the best chance of being competitive and successful.

**Flying High will have the final word on teams and parent requests cannot be granted.**

### **ATTENDANCE**

Attendance plays a huge role in all-star cheerleading, dancing and team building. Every member of Galaxy plays an important role in each routine, stunt group, etc. When a member of Galaxy is NOT at practice, it affects their entire team. Please be consistent in bringing your Galaxy member to practice and competitions. Please DO NOT use Galaxy as a punishment. It will not only affect your child, it will affect the team.

While we all value family vacations and outings, please schedule these around important events such as competitions, choreography camps, clinics, etc. Please let the Galaxy coaching staff know when you will be planning vacations, outings, etc. Your child will ONLY be excused from practice for pre-planned vacations, illnesses or family crisis. Needing to finish homework, household chores, etc. does not excuse them from practice. Galaxy has the right to remove that child from competition or the team, with NO refund if attendance requirements are not met. Injuries that require you to miss more than 2 practices will need a doctor's note.

## **Cheer and Dance Galaxy's Fees and Tuition 2010-2011**

Competitive cheer and dance, while not as costly as some youth activities, can still be an expensive sport. Entry fees for competitions alone are hundreds of dollars a year per athlete. Before you consider this or any program, please carefully consider the financial commitment involved. Our parent Booster Club does many fundraising events throughout the year to help with some of these costs.

There are a number of costs associated with competitive cheer and dance. We, at Galaxy want to do our best to make it as affordable as possible. We are as up-front with our costs as possible. A Galaxy team member will incur all of the following participation costs:

- ▶ Registration fee
- ▶ Monthly Tuition fee
- ▶ Competition fees
- ▶ Coaches fees
- ▶ Camp fees
- ▶ Uniform & Accessory fees
- ▶ Practice/Camp wear
- ▶ Booster Club fee

### **Choreography Summer Camp Fees**

Cheer - \$265 (mini) \$300 (all others)

Dance – \$150 (mini) \$185 (all others)

**\*\*Attendance at camp is mandatory\*\***

Music CD - \$7

Galaxy uses Champion Spirit choreography camp to establish our season routines for all cheer teams. Dance teams will learn 2 full routines with the exception of the mini team. No refunds or credits will be given once final count is given to the camp/choreographer.

### **BOTH CHEER AND DANCE DATES**

Friday, July 30<sup>th</sup>, 2010 – Sunday, August 1<sup>st</sup>, 2010

Times: (TBD)

Choreography Camp is a VITAL tool for all cheer and dance squads. It is MANDATORY that all athletes attend. The date is given months in advance to allow families to schedule vacations, etc. around this camp. Should an athlete not attend the camp, it may jeopardize his/her standing in the program. Further, if the coaches and director do allow an excused absence for an athlete, said athlete will have to incur the extra expense of many private lessons to learn the routine (often exceeding the dollar amount of camp).

### **Practice/Camp Wear \$35**

- This fee is to purchase: 1 tank and 1 t-shirt to be used for camp and practices.

### **Warm Up – New Members \$90**

- Includes a jacket (personalized with members name) and pants
- **New members only** (unless returning member needs a replacement)
- Any warm up/uniform that needs to be replaced after the initial order has been placed, will be considered a “special order” and will be shipped at a higher cost.

### **Galaxy Booster Club Fee - \$50**

Our organization has been fortunate enough to have a wonderfully committed parent Booster Club. The annual fee is mandatory and covers many wonderful things for the cheerleaders and dancers. The Booster Club has been very successful in years past with fundraising to alleviate the financial stress of competitive cheer and dance. Last year the group raised enough money to help cover more than half of the National Competition fees. **In order for the Booster Club to be successful, we need the support and help of all parents.**

## **THINGS YOU SHOULD KNOW**

### **PAYMENT POLICY**

We have done our best to separate all of the payments a competitive sport accrues. Tuition will be due week 4 of every 6-week session. Failure to pay tuition will result in a suspension of athlete's privileges. Competition/Coaches fees will be separated throughout the year to avoid "bulk payments." Uniforms/merchandise/apparel may be paid for in the Infinity and Beyond Pro-Shop, and nothing will be distributed until it is paid-in-full.

Once you become a part of a competitive team, you become a part of our "immediate family." That being said, if at any time a family experiences financial turmoil, a payment plan may be set in place. Families in this situation MUST be proactive and have a plan set in place before a balance becomes too high. It is our every intention to work with you to make this work. We understand and appreciate the sacrifices you make to keep your children healthy and happy. If we can help, we will.

### **UNIVERSEITY OF DANCE – Recreational Dance**

The dance program offers all dance disciplines from mini hip hop and Tiny Dancers (pre-ballet) to Teen Hip Hop, Jazz Funk and Pom Prep! For more info stop by the front desk!

### **RECREATIONAL CHEER PROGRAM**

Our Recreation Cheer Program is building momentum! We have MINI/KINDER CHEER classes for ages 3-6 and BASIC CHEER and INTERMEDIATE CHEER classes for ages 6 and up.

### **FLYING HIGH PHILOSOPHY**

While we do enjoy competitive success, the main objective of every Flying High employee is to praise children for their individual accomplishments. We work with each athlete to determine goals and set a path to reach them. After all, that is the true meaning of success.

We also teach much more than sports here. It is our hope that each athlete learns life skills, including but not limited to: time management, team work, sacrifice, respect for one another and authority figures, how to deal with disappointment, how to use disappointment as fuel for your next journey, the true meaning of hard work, and good sportsmanship, just to name a few. We, at Flying High know that the lessons learned within our walls will help mold children into the adults and world leaders they will soon become.

We expect, not only our staff, but also athletes and parents to follow this philosophy. Once the season starts, a mandatory meeting will be held for all new parents to explain, in detail, the philosophy by which we live and operate.
