# Roll With It

## A Toddler Tumbling Program

Online Registration is **NOW** open. Register **EARLY** classes fill up quickly.

**NO REGISTRATION FEE OR ENROLLMENT FEE REQUIRED**

Fun & Fit introduces **"ROLL WITH IT"** a Toddler Program for children (girls & boys) 18 months to 3 years old. Our **Roll with It** curriculum is an Instructor lead, Parent/Caregiver-Child classes with developmentally appropriate activities for fun and skill development (gross-motor skill and fine motor skill).

**Kyddie Tyme ~ 2 years old to 3 years old...**Kids just Wanna have FUN. This

60-minute class is sure to burn off some of that energy. Each month we introduce a new fun theme lesson while learning social skills, life skills, self-esteem and cognitive development. Each week/class starts with a warm-up activity, obstacle course, music, welcome games, and gymnastics (vaulting, bars and tumbling). This class ends in the activity room with manipulative/fine motor activities. Studies show effective stimulation of these skills during a child's first four years reap life long benefits. Children get the opportunity to interact with other children in their age group, while having fun learning the importance of cooperation, following directions, sharing and taking turns. **4-week sessions - \$45.00 - Classes Starting May 5, 2010 – Register NOW!**

**Toddler Tyme ~18 months to 24 months...**It's time to wiggle and giggle. This 45-minute class is sure to get you and your child having fun. Each week/class starts with a warm-up activity, exploring station (obstacle course), music, welcome games, and gymnastics (vaulting, bars, and tumbling). Studies show effective stimulation of these skills during a child's first four years reap life long benefits. Children get the opportunity to interact with other children in their age group and adults make friends, share experiences, and exchange ideas. **5-week sessions -\$50.00 – Classes Starting in June 2010**

**\*\*Kyddie Tyme classes may be Partial or Total Separation Class\*\*** Partial Separation usually occurs with some 2 year olds. Parents are welcomed to start off the first 30 minutes of class with your child then spend the remaining 30 minutes in the viewing room where you can relax and enjoy conversation with other parents. A great way for you and your child to prepare for the transition into pre-school! Total Separation usually occurs with most 3 year olds. Parents are welcomed to start of the first 15 minutes of class with your child then spend the remaining 45 minutes in the viewing room where you can relax and enjoy conversation with other parents.
