## ABOUT OUR PROGRAMS

### Crimson Heat Dance Company

The Crimson Heat Dance Company offers technical skills classes in all genres of dance – from ballet to jazz to hip hop. Participants who enroll in this program participate in our weekly classes and have the opportunity to perform in our Fall and Spring Recitals, these members will not participate in competitions. This program is ideal for developing dancers.

Through our Dance Company, we offer:

- 3 Technical Skills classes (e.g. Ballet, Tap, Hip Hop) Per Week;
- 3 Costumes that will be used during our Fall and Spring Recitals; and
- Basic Dance Accessory Package (shoes, dance bag, program warm-up).

### Crimson Heat All Star Competitive Dance

For those candidates who are interested in taking their dance training to the next level, we offer our All Star Competitive Dance Program.

Members who participate in our All Star Dance Program are also enrolled in our Dance Company for their technical classes and training. Our competition dance program offers all of the things that the Company Program offers plus:

- 3-5 Dance Competitions;
- Competition Routine Choreography and Music;
- Competition Team Costume; and
- The opportunity to compete for a bid to attend the Dance Summit and Dance World Championship.

## HOW TO REGISTER

Our membership registration ***process is as simple as 1-2-3!*** Interested members should...

1. Participate in one of our mandatory membership orientations and skill evaluation clinics;
2. Pay the non-refundable \$50.00 membership registration fee (must be paid in cash); and
3. Complete the necessary membership application, waiver forms and financial agreements.

During our membership orientation, members of our staff will provide athletes and their parents with a general overview of our program, a high-level schedule for our 2015-2016 Season, and provide a walk-through of our fees and payment schedule.

Once we have completed the orientation, our staff will conduct a skills clinic with the athletes. The athletes will be taught an age/skill appropriate dance and they will be coached on tumbling, jumps and basic stunting technique. The staff will conduct a review of the material then divide the candidates into small groups based upon age and skill level. Each group will be evaluated on the clinic material, then each participant's dance skills will be individually assessed. At the end of the process, our staff will provide each participant with a team assignment letter and a practice schedule.
