

It's TIME...PrimeTime Cheer is gearing up for the 2010 – 2011 season.

We Want You

PrimeTime Cheer is now accepting Special Needs Athletes for our 2010 - 2011 All-Star Cheer Team!!

Come be a part of our Angel family.

PrimeTime Cheer has just finished another successful year.

Now starting our 9th year, it will be even greater. PrimeTime Cheer does not just teach cheerleading. We base our coaching on core values and hard work. PrimeTime Cheer will train your child to be a champion in life and on the competition floor.

We are blessed to have the opportunity to touch each athlete's life. Our # 1 priority is to make a long lasting positive impression through cheer and tumbling building self esteem and self confidence for life.

This season we have been so blessed to be able to offer kids with special needs their very own team. With this your child will take part in a cheer team class just for them. They will perform in 4-5 competitions. All for free. This is our way to give back what God has so blessed us with. We are so excited we can not wait to meet you and your child. Please call if you have any questions

Still the most important thing is impacting the athletes in a positive way. We believe our athletes are champions no matter what. Doing their best in every area is what makes them Champions.

PRIMETIME CHEER WANTS YOU !

START DATE MAY 6,2010 THROUGH FEBRUARY 2011
