"It doesn't matter what people think about cheerleading or dancing, if it's something that you love to do then that's all that counts."

Calling all 3-5 year olds!

If your child is between the ages of three and five, WE still have a few spots on our Tiny Level 1 Allstar team.

This is a vital age for learning. Over the years we have seen great improvement from girls that start competing at such a young age.

Yes, it is a lot of hard work and it takes a lot of time and patience but it is worth every hour of practice they get.

WE want YOU to get the most out of your experience! Contact the front desk for more info.

she is FIERCE!"**

The Donnie Foster Scholarship Foundation

On May 10th WE announced our first scholarship fund for aspiring athletes. Donnie loved watching our cheerleaders practice and get enjoyment out of the sport. If there was one thing he could do, WE are quite certain it would be to help athletes pursue their passion. If you would like to make an anonymous donation you can do so at Commercial Bank. These funds will be distributed to qualifying applicants only.
