

Team Justice

A special needs team is a team of athletes with physical or mental challenges.

The team meets once a week at LCA with a group of coaches and peer cheerleaders. This is the 2nd season for our team with special needs. We teach them a full routine that they perform at 5 competitions. At these competitions they are entered as a Non-Competitive exhibition team. The kids receive a trophy at every competition! Also all competitions are FREE of charge! The team is open to all who have a physical or cognitive disability. We have a large team this season! We have 10 girls, 1 boy, 5 Peer Helpers and 4 to 5 coaches per practice. For more information please email
