

Fundraising Information

2009-2010 Season

Fundraising is very important to help offset any costs we may incur during our All Star Season. It is very important that everyone participates in the fundraising events so that each athlete can benefit from the rewards. Each fundraiser will be used to raise money for things we will need such as team wear, practice wear, competition fees and monthly fees. Fundraising money may not be used to purchase things not required from the gym.

We will hold fundraisers that will raise money for the team account and ones that will raise money from your own personal fundraising account. Statements of money you have saved in your own account will be issued upon request.

From time to time will also participate in a fundraiser or an activity which teaches the girls how important it is to give back to the community or a special charity.

Fundraising efforts are broken down into two types: Individual and Team. Individual fundraising is optional and all funds go into the cheerleaders' individual account. In some cases a small amount will be collected to add to team account as well. Fundraisers for the team are a team effort and attendance is expected. Either a cheerleader or a family member must participate. Any athlete not participating in a specific fundraiser will not receive any funds from that fundraiser.

***Athletes and parents are required to wear their Cheer U attire when attending a fundraiser.

Here is a list of some of the fundraiser we have planned for you for the upcoming 2009-1010 cheerleading season.

Team Fundraiser:

June: Car Wash

August: Applebee's

October: Halloween Party
