The Central Jersey Allstar Cheerleading Youth Level 1 Team took 1st Place in their division at Jamfest's Liberty Jam Championships and the Most Entertaining Award in Philadelphia on March 13th. The Youth Level 1 Team is comprised of 16 girls and one male. The ages on this team

range from 5-12 years of age. They have had a successful season to date with eight 1st Place awards, three 2nd Place awards and one Grand Champion award.

It was a great weekend for all the athletes on the Central Jersey Allstar's teams. Large Senior 5 team took 1st Place and Grand Champion awards, Large Senior 4 team came in 1st Place, Small Junior 3 team came in 1st Place and Small Junior 2 took home 2nd Place. Central Jersey Allstar's Open team also took 1st Place. The Central Jersey Allstar team as a whole received the Jamfest's Spirit Award.

"I am always so amazed at the talent that our Youth athletes and coaches display. They have had another great season so far; they truly are the future of CJA! Our Junior and Senior teams continue to be a strong force in the cheerleading industry and I am looking forward to seeing the rest of the season unfold" commented Patty Ann Romero, Owner and Director of the Central Jersey All Star Teams.

Central Jersey Allstars (CJA) is a 14 year-old non-profit, award-winning competitive cheerleading organization for boys and girls of all ages and skill levels. Headed by Patty Ann Romero and her staff of talented, experienced, and dedicated coaches, CJA is focused on providing the necessary training for young athletes, between the ages of 5 and 19, to compete in the competitive cheer arena. Located at 1 Commerce Drive, in Cranford, New Jersey, athletes come to CJA from all over the New York metro area, but mainly from northern and central New Jersey.

The young athletes have a wealth of experiences as a result of their participation in the CJA program. They learn how to condition their bodies, which helps to ensure a life-long desire for physical fitness; they learn how to persevere and be poised when demands are high

and the pressure is intense; they learn teamwork; and they learn to balance school work with other priorities. Above all, each athlete gains a sense of self-respect and determination that can be otherwise very difficult for young people to attain today.
