CHOREOGRAPHY

"We placed first at regionals and went to state... I was so excited and my girls were ecstatic. HYPE thank you for a wonderful routine! - **Lisa Engle (Adams-Friendship High School Cheer Coach)**

SHORT NOTICE

The Varsity Cheer Team's season started late and I contacted HYPE during the summer wanting a clinic within two weeks that would provide new cheers, new chants, and stunting technique. Not only did they book a date with short notice, but also offered two follow-up clinics and it all fit into our budget. The girls loved the choreography, the instructors, and the inspirational handouts that we still use today! -**Port Washington School District Coach**

CUSTOMIZED PROGRAMS

I coach 4 All-Star Cheerleading & Dance teams and most camps and clinics are focused on one or the other. I contacted HYPE and they worked with me to set up a customized program that provided both! My teams received excellent stunting, gymnastics, motion, jump, and dance technique training at a great rate! -**Ayanna Allen, Dynamic All Starz Director**

"HYPE has produced such a quality program. The staff and participants were fun and professional to be around. This experience gave such a positive experience to my team. Their energy and attitudes are now geared for the remainder of the season and Nationals! - **Lisa Lenske, Oconomowoc High School (1/06)**

"I have coached dance for many years and for the past ten years have coached all star dance teams from the elementary through collegiate level. Needless to say, I've taken my teams to many local, regional and national competitions throughout the years, and I was delighted to find out about the HYPE competitions in the Milwaukee area. We began attending HYPE in 2003 and immediately felt that HYPE events are well-run, competitive, offer a wide variety of dance categories including solos and small groups, and are - above all - fun to do! -**Judy Johnson, West Allis Allegro**
