2016-2017 Tryout Placement Information

Tryouts were a great success and we are very excited about the teams, coaches, and experiences you will be a part of this season. This is our first team list; there will be constant evaluations of teams and individuals over the next few weeks. Some athletes may be asked to practice with different teams or levels, and others will continue to work in the same group. The team you are placed on now is not a guarantee of stunting position, age group, or skill level that you will be competing this season. The strongest teams will be selected and some athletes may become alternates or given the opportunity to compete with other teams. Since the evaluation process is still ongoing, please come to these team practices so you can demonstrate other team skills that were not shown during the tryout process.

First practices will be on Monday and Tuesday (May 16 & 17) next week. The MANDATORY program meeting will be on Wednesday, May 18. Your first deposit and May tuition are due at that time. These payments are necessary to ensure your place in the Top Gun program for the 2016-2017 competitive season. Information regarding practices, competitions, camp, and expected travel will be shared in this meeting as well as the gym schedule for the upcoming year.

After reviewing the pre tryout parent packet on the website if you have further questions about the team placement process please contact Anni after 5 pm on Thursday at 407-299-1911. We are looking forward to this season and can't wait to get started! See you at your first practice of the new season!

If you do not see your number listed on any team please contact 407-299-1911.
