

The K Fund Scholarship: United Fine Arts Academy (UFAA) is a non-profit enterprise established to provide area youth with opportunities to learn, perform, and enjoy dance, music, theater, and visual art. Serving Georgetown and surrounding communities, UFAA's vision is to be a fine arts hub in the heart of Scott County. In addition, the non-profit's goal is to help make the arts accessible to families throughout the community.

Kaden's Cause, in partnership with United Fine Arts Academy, has established the K Fund Scholarship for the Performing Arts to be made available for youth performers grieving the loss of a sibling. Additional funds are also available to area performers in need of financial assistance to participate in arts programs. This scholarship is awarded on a case-by-case basis to qualifying applicants. To be considered for the K Fund Scholarship, please completely fill out the following application form. For questions or additional information please contact:
