The Tryout Process

All future athletes will be evaluated on individual skills such as standing and running tumbling, jumps, motions and a short dance. CCE staff will evaluate athletes in groups and encourage athletes to re-do their skills if they are not completely satisfied with their first performance. Tryout day should be a stress-free day for athletes, and CCE staff works hard to make tryouts an enjoyable process for everyone who participates!

Once CCE staff has evaluated all potential athletes, we will then work to assemble team rosters. The selection of teams is a very meticulous process. Many important factors are considered in our decisions, such as: skills, attitude, age, and overall performance. Cheerleaders are not placed on teams based solely on individual skills such as tumbling, jumps or flexibility; ALL CCE teams will consist of a well-rounded variation of individuals to create the best team possible.

Your participation in evaluations indicates that you are committed to what Capital Cheer Elite believes in. We, at CCE, are dedicated to training our athletes to excel in competitive cheerleading. We value your dedication and commitment to Capital Cheer Elite.

Although we recognize a level of stress during this process, we will do our best to help each athlete reach their potential. In order to do this, we feel it is best to close evaluations to the general public. Parents will be asked to leave the gym once the registration process is complete. We ask parents to not contact any of the CCE staff regarding tryout results or concerns until after results have been posted. Athletes and parents will be notified with tryout results and information regarding the mandatory team/parent meetings that will be held prior to the first team practices. Thank you for your support in this matter.

Much of the evaluation is based on potential, so it is beneficial for an athlete to attempt the most difficult skills they can perform SAFELY. Athletes should know their own limitations and not attempt skills beyond their current level of experience. Safety is the number one concern during evaluations. Tumbling is a major factor in placing members on a team, but competition score sheets are made up of several sections that we also consider, such as: jumps, performance ability, cheer skills, and stunt technique. It is important for each member to work on all of these areas for the evaluation. Cheerleader’s skills will be categorized by their abilities and placed accordingly.

Capital Cheer Elite reserves the right to evaluate all cheerleaders on their previous years of participation. Attendance, attitude, conduct and skills are just some of the areas that will be considered. All present Capital Cheer Elite athletes must attend evaluations.

The Capital Cheer Elite coaches are confident in the placement of our athletes. The best interest of our athletes and teams comes first at CCE. If you have any concerns about the placement of YOUR athlete, you may communicate that to the front office through the proper procedures.

**Evaluations Attire**

- Please wear t-shirt, sports bra, comfortable shorts, and cheer shoes.
- Hair must be pulled back and out of your athlete’s face.

**Evaluation Results**

- Results of your team placement will be emailed to the email(s) on file with Jackrabbit.

Please note, based on skill progression an athlete may be asked to move to another team during the season. This move applies to moving up or down a level or to crossover. In the case of improved skills, to the appropriate level, an athlete may be asked to move up to a higher level team. If an athlete is not progressing or skills have been diminished, they will be moved to a level appropriate team. An athlete may be removed from a team or program for violating the attendance policy.

**Practices**

Once selected for a Capital Cheer Elite team, it is your obligation to attend ALL practices. Practices will begin June 5th or 6th depending on your athlete’s practice nights. When one member is absent, it can keep a whole team from achieving their goals for that practice. The definition of a team is a number of people that are associated together in work or activity; a cooperatively functioning group. We cannot function cooperatively without your attendance and commitment. The safety and preparation of our teams must be respected. The staff reserves the right to remove squad members from a performance and possibly the team if excessive practices are missed.

PLEASE KNOW PRACTICE TIME IS FOR TEAM RELATED ACTIVITIES SUCH AS PERFECTING THE ROUTINE, LEARNING THE PYRAMID, STUNTING, CHOREOGRAPHY, AND ROUTINE RELATED TUMBLING. LIMITED TIME IS SPENT WITH INDIVIDUAL TEAM MEMBERS. CAPITAL CHEER ELITE RECOMMENDS PARTICIPATION IN ADDITIONAL TUMBLING CLASSES, OR TUMBLING PRIVATES TO ENHANCE INDIVIDUAL SKILLS AND PROGRESSION.

It is the responsibility of each cheerleader to learn material or request information handed out when a practice is missed. Students missing a practice should designate another member to pick up any handouts and learn any new material necessary. It is the student’s responsibility to learn missed material. Please realize this before entering into this agreement.

Capital Cheer Elite coaches feel that closed practices are necessary frequently for the good of the team. Viewing windows will be closed intermittently. We express our sincere apologies and we appreciate your understanding with this matter. Parents, guardians, guests and siblings are not allowed in the gym area at anytime, unless invited by a coach.

FREQUENTLY ASKED QUESTIONS

What do I need to start?
All you need to start is a great attitude and willingness to learn - Desire, Determination, and Dedication. CCE will teach you the rest! Each team member will be placed based on age and skill level at the beginning of the season. Our teams start at ages as young as 3 years old and we have teams at every division.

What is the cost of tryouts?
The tryout fee per athlete is $25 for new athletes to CCE or $15 per athlete for anyone returning from the 2016-2017 cheer season as long as they are registered by April 15th. This fee must be paid prior to tryouts. If paid the day of, price goes up by $5.

What time do I need to be at tryouts?
May 19th: Ages 3-5 — 6-7pm
May 20th: Ages 6-11 — 10am-1pm
May 20th: Ages 12-18 — 2-5pm
*Registration will begin 30 minutes prior to each session. Please make sure you have all necessary items for registration in order for your athlete to tryout.

What if I can’t make tryouts but still want to cheer?
If you are unable to make the tryouts, you can schedule a private tryout for $50, or come to our makeup tryouts that will be held the following week (please email the gym info@capitalcheerelite.com).

What do I need to wear?
Typically, athletes wear a sports bra, shorts, leggings, “spankies,” no show socks and cheer shoes or sneakers (preferably NOT bulky shoes). A t-shirt, shorts, capri leggings or tennis shoes will be fine as well. Do not rush out to buy cheer shoes because a certain kind will be required for practice.

Do I need to wear my hair a certain way?
The easiest and fastest is just a slick back pony tail. This keeps all hair out of your face.

Do I need to bring something to drink or eat?
You are welcomed to bring a bottled water or sports bottle. We recommend you write your name on either one. We also have water fountains and vending machines for your convenience. We do not allow food on the floor and tryouts are typically 2.5-3 hours long.

Will there be any judges?
Capital Cheer Elite staff will be evaluating all athletes and assembling all teams.

How will I know if I made a team?
EVERYONE makes an age/level-appropriate team. Everyone will receive an email advising when their athlete will return on which nights for practices, so please don't forget to provide a valid email address in your tryout paperwork.

How much does it cost to cheer?
There are different costs depending on which team you are on. Season fees will be released April 1st.

Parent’s Code of Conduct

CCE parents play an important role in their child’s commitment to our program. It is a good reminder to parents to observe a Code of Conduct that we are mutually on the same page as each other, uniting for a common goal of our children. CCE desires to not only have great athletes but great families who care about upholding our high standards. Parents should read through the following obligations and sign at the bottom agreeing to uphold each standard.

1. I understand that this is a full season commitment, up to one year, and that a team is depending on my child to fulfill responsibilities as a team member. I will not allow my child to quit or threaten to pull her out during the season.

2. If my child is involved in a matter of disrespect towards any member or staff at CCE, I will resolve this problem with my child immediately.

3. I understand that all conversations in the parent viewing areas must be respectful and positive. Any inappropriate comments will result in dismissal from the program.

4. I will not use profanity at the gym, lobby area or at competitions and respect that I am in a child friendly environment and a representative of the CCE program.

5. I understand that I am NOT allowed to yell onto the floor or try to make contact through the viewing area window during practices or tumble classes. CCE coaches are certified to instruct the levels they are instructing and need to be respected as such. These distractions can be dangerous, disrespectful and will not be tolerated.

6. I understand that due to insurance purposes, I am NOT allowed out in the practice area without being invited by a coach. Only cheerleaders and coaches are allowed on the practice mat.

7. I will demonstrate good sportsmanship to my child’s teammates, other parents, coaches, judges, cheer company’s staff and rival teams. This includes no bad-mouthing, spreading rumors, foul language, inappropriate actions, and speaking poorly of my Capital Cheer Elite program.

8. I will not misuse the accessibility of communicating through email to my CCE coaches and will address issues with care and respect.

9. I will respect my child’s coaches and trust their decisions. I will allow the CCE coaches to exercise their coaching skills and not intervene with practices.

10. I will prepare to get my child to practice on time and stay for it’s entirety. In the event that she is late, I realize she will have to warm-up and stretch properly as her teammates did but this may require her to do it by herself or at the end of the set practice time.

11. I understand that Capital Cheer Elite’s name, team names & logo are copyrighted. No one can reprint our logo or team names on any apparel or other items.

12. I understand that the coaches reserve the right to suspend my child’s participation indefinitely in practice or competition as a disciplinary action if rules and codes of conduct are broken.

13. I realize that cheer companies that host competitions also have codes of conduct that include parent actions, and poor sportsmanship by parents can cause deductions or disqualifications of my child’s team. I will demonstrate good sportsmanship as a Pride parent.

14. I understand that as a Capital Cheer Elite All Star parent I too represent the program. Verbal and/or physical altercations between parents will not be tolerated.

15. I understand that as a parent I need to lead by example. Parents, relatives, friends, etc. are not allowed to approach a coach with disrespectful comments at a competition and/or at/before or after practice. It will result in dismissal from the program.
