Placement Evaluation

What to Expect at Evaluations Remember there is a place for everyone—NO tumbling, NO Stunting or Toss Experience Required. All athletes will be leveled according to USASF criteria for all-star levels and athlete credentialing. For more information on the USASF and all-star cheer levels, please visit www.USASF.net. Tumbling: There is no minimum skill needed for placements. Please do not let the lack of a skill prevent you from attending evaluations. Everyone will have an opportunity to demonstrate their best running tumbling pass and standing tumbling skill. These skills will be evaluated without a spot.

Cheer Technique and Presentation: We will also teach and evaluate cheer jumps and motions. A short motion sequence to music will be taught to each cheerleader. This will help us evaluate each cheerleader's sharpness in motion technique, timing, and showmanship.

What is Placement and why do we do it?

Placement is the beginning evaluation process that every cheerleader will take part in during sign ups and during the season. During placement session the athletes are required to demonstrate jumps, tumbling, motions, dance and stunts. This evaluation allows the coaching staff to understand each individual strengths and area of opportunity to ensure the athlete is placed on the appropriate team. Please understand each athlete will be placed on a team. The athletes will have an opportunity to meet the staff, make new friends and give the staff an opportunity to see how the athletes interact with each other. We evaluate the athletes in groups as well individually and encourage each person to do their best! The levels each athlete will be assessed will correspond to the industry cheer levels in which we will compete and as set by the USASF (United States All Star Federation.) **REMEMBER EVERY ATHLETE WILL BE PLACED ON A TEAM!**

When placing athletes, we will base our decisions on ability first and then age. Our decisions will be based on the athletes currently in the program and their current skills.

After Placement Evaluations (PE), the staff will pick teams based on their discretion. Many key elements factor into the decision. Keep in mind that all teams are built to compete at a high level! There may be athletes on any given team that tumble at a different level than the rest of their teammates. We try to match up the athletes by level as best we can, but please remember that stunting, pyramids, jumps, dance, motions, and age are huge factors as well. Some will be stronger tumblers than others. Some will contribute more with stunts than others. We chose our team based on the positions that we need to fill (Bases, flyers, tumblers, etc.) Every athlete is on the team for a reason - please trust the staff we know what we are doing.

Placement Evaluation

IMPORTANT– PLEASE READ THOROUGHLY: The coaching staff reserves the right, at any time, without notice, to change the rosters of the teams by adding, rearranging, or removing cheerleaders to/ from teams for a performance or practice. Cheerleaders may be removed from our program at any time for reasons which include but are not limited to: poor sportsmanship, attitude problems, absences and/or tardiness, lack of improvement, lack of financial responsibility, and conflicts between cheerleaders, coaches, parents, or anyone else involved in our program or any other all-star programs. There will be no refunds of tuition given in the event of removal from a team.
