

Next Screen you need to **Sign Up** for the 1st time Second time you can **Sign In**.

The screenshot shows the Intuit PaymentNetwork website. At the top, there is a navigation bar with the Intuit logo and the text "PaymentNetwork". Below this, there is a brief description of Intuit as a company that makes it easy to get paid. The main content area is divided into two sections: "Sign Up" and "Sign In".

The "Sign Up" section is for new users and includes the following fields:

- Email
- Confirm Email
- Password (at least 8 characters)
- Confirm Password

 There is a "Sign Up" button at the bottom of this section.

The "Sign In" section is for existing users and includes the following fields:

- User Name or Email
- Password

 There is a "Sign In" button at the bottom of this section.

At the bottom of the page, there is a "Return to Intuit Account" link.

When setting up your account you will need to fill out your bank account information. Click the **Confirm** button and then you will get the Send Payment Page.

The screenshot shows the Intuit PaymentNetwork website's "Add Bank Account" page. At the top, there is a blue information box with a question mark icon and the text: "Thank you for registering with Intuit. To enter your financial data, enter your bank account information. Once you do so, you can make payments directly from your bank account into the bank account of your merchant, or any other member of the network who has received payments. Intuit needs to verify your information. [Learn more.](#)"

Below the information box, there is a heading "Add a Bank Account" and a sub-heading "All fields are required". To the right of this heading, there is a "This page is secure" icon.

The form is divided into two main sections: "What kind of bank account?" and "Add Bank Account verify details".

The "What kind of bank account?" section includes:

- A dropdown menu for "Account Type" with "Business Checking" selected.
- A "Bank Name" field.
- A "Routing Number" field.
- An "Account Number" field.

The "Add Bank Account verify details" section includes:

- Fields for "First Name" and "Last Name".
- A "Company Name" field.

There is a "Confirm" button at the bottom right of the form.
